Currently pursuing B.Tech in Electronics And Computer Engineering in Vellore Institution of Technology. Excel in communicating and Analytical Skill. Major Interest in Robotics , Web Development , IT, and Automobile Engineering . Would love to learn and work in these fields.

AREAS OF EXPERTISE

Major coding interest and experience in Python , C++ , Java and arduino language , with a firm hold on Web Development skills and Data Structures.

EDUCATIONAL HISTORY

VELAMMAL KNOWLEDGE PARK

SCHOOLING COMPLETED IN 2019

- Completed with honors
- Got a head start with Advanced Programming

VELLORE INSTITUTE OF TECHNOLOGY (CHENNAI CAMPUS)

ELECTRONICS AND COMPUTER ENGINEERING, CURRENTLY PERSUING

- Completed many arduino and python projects.
- Core committee member in Robotics Club ATOM

PROFESSIONAL HISTORY

CORE COMMITTE MEMBER & DEVELOPER

ATOM ROBOTICS| JULY 2019 - PRESENT

- Developing Arduino robots
- Participation in ROBOPRIX with self developed bots(2019)
- Core committee member in ROBOPRIX (2021)

ACHIEVEMENTS & CERTIFICATIONS

- Cybersecurity Roles, Processes & Operating System Security - IBM
- Industrial Iot on google cloud platform - Google cloud(NJ)
- Python data structures - university of Michigan
- complete 2021 Web Development Bootcamp - Udemy
- Big data , AI and Ethics - University of California , Davis
